

We are so proud of our kids, not because of the careers they have chosen but because of who they are in God; their relationships with Him and the assurance that they are and will live with Him for all eternity! Each of them have had their challenges and hurdles to tackle but have overcome them by the power of Jesus Christ!

Cassandra is in her 5th semester of the Medical program.
Congratulations Cassandra!

Crystal is in her 5th semester of the Medical program.
Congratulations Crystal!

Daniel is in his 1st semester in the Nursing program.
Congratulations Daniel!
