

Because of your support we were able to give 1755 children Christmas packages at 14 different schools. On the 24th we will be giving out 200 Christmas cups with a package of hot chocolate and a N.T. Bible to all those that work at the hospital and police station.

A group of brothers and sisters from the church helped us fill the 1755 packages along with the 200 Christmas mugs. We were so very thankful for their help!

When we weren't at the schools we took time to make Christmas candy and cookies to share to those that would stop in during this holiday.

Trying to capture all the children that received a Christmas package along with a stuff animal was very difficult. The smallest school that we gave gifts to had 10 children and the largest had 320 students ranging from kindergarten to 8th grade. To watch the children's eyes glow when they were handed their package was priceless and one was able to forget all the work and effort that went into their special day. For many this gift may unfortunately be the only one that they will be receiving this Christmas. Thank you once again for making it possible for us to be a blessing to so many children!

Besides the children receiving a gift we also gave all the teachers and the school cooks a Christmas coffee mug, a package of hot chocolate, and a New Testament Bible.

We are so grateful for our children that are
always available to help!

Here is a list of all the places that the children received gift packages that contained a coloring book about the life of Jesus, a N.T. Bible, crayons, tracts, and a stuffed animal. Remember all those that have entrusted us with your financial gifts will be sharing in these heavenly rewards. Thank you ever so much for allowing us to be your hands and feet to so many children!
