

These are just a few of the teachers that we were also able to bless with a Christmas gift.

Photo above was an appreciation party that we prepared for all those that helped us out at the schools presenting the drama and giving out gifts to the children. After the meal we gave each of them a gift package for their hard work. To the left is a gift that a teacher gave to us for blessing her 45 students with Christmas gifts. Lower left - Samaritan gift boxes were given to other children.

Below is a picture of the 18 gift bags filled with food to give to our faithful families at the church.
