**Before visiting the 15 schools, we had to prepare 1,100 packages for the children.**

**We were grateful to the ladies in the church that gave us a helping hand.**

**Cassandra and Crystal singing at our San Juanito Church for Christmas.**

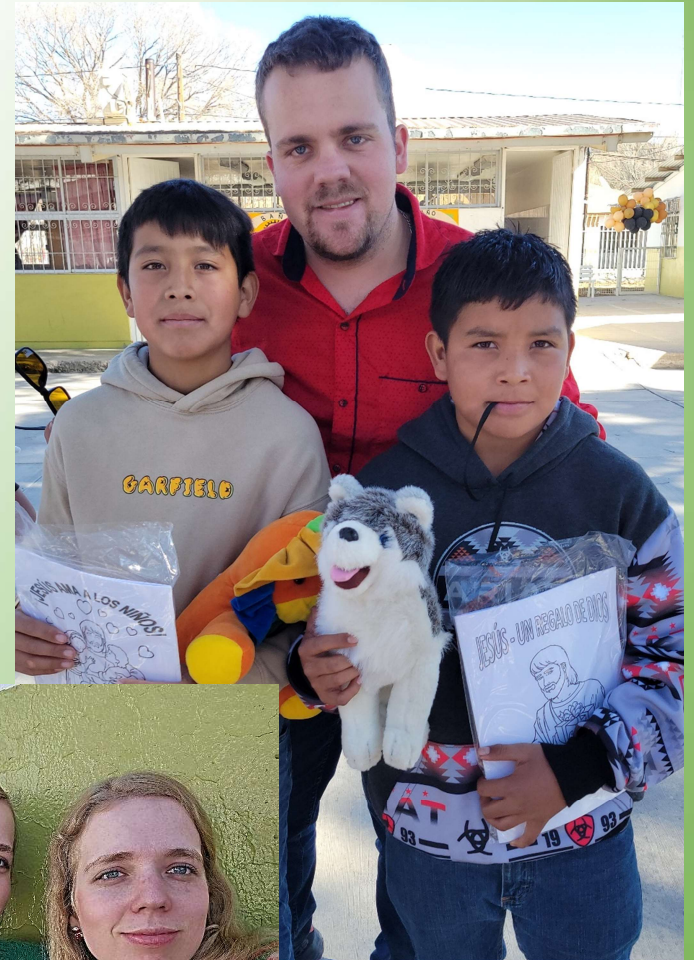

We were able to bless over 150 workers at our local hospital with a Bible, a Christmas cup, a package of hot chocolate, and many received stuffed animals as well.

**Our three blessings helping us out with this outreach at the schools!**

We were so grateful that Crystal and her husband Carlos could help us with this fun outreach! They got married on October 26th, and we feel so blessed to have another "son" in our family!

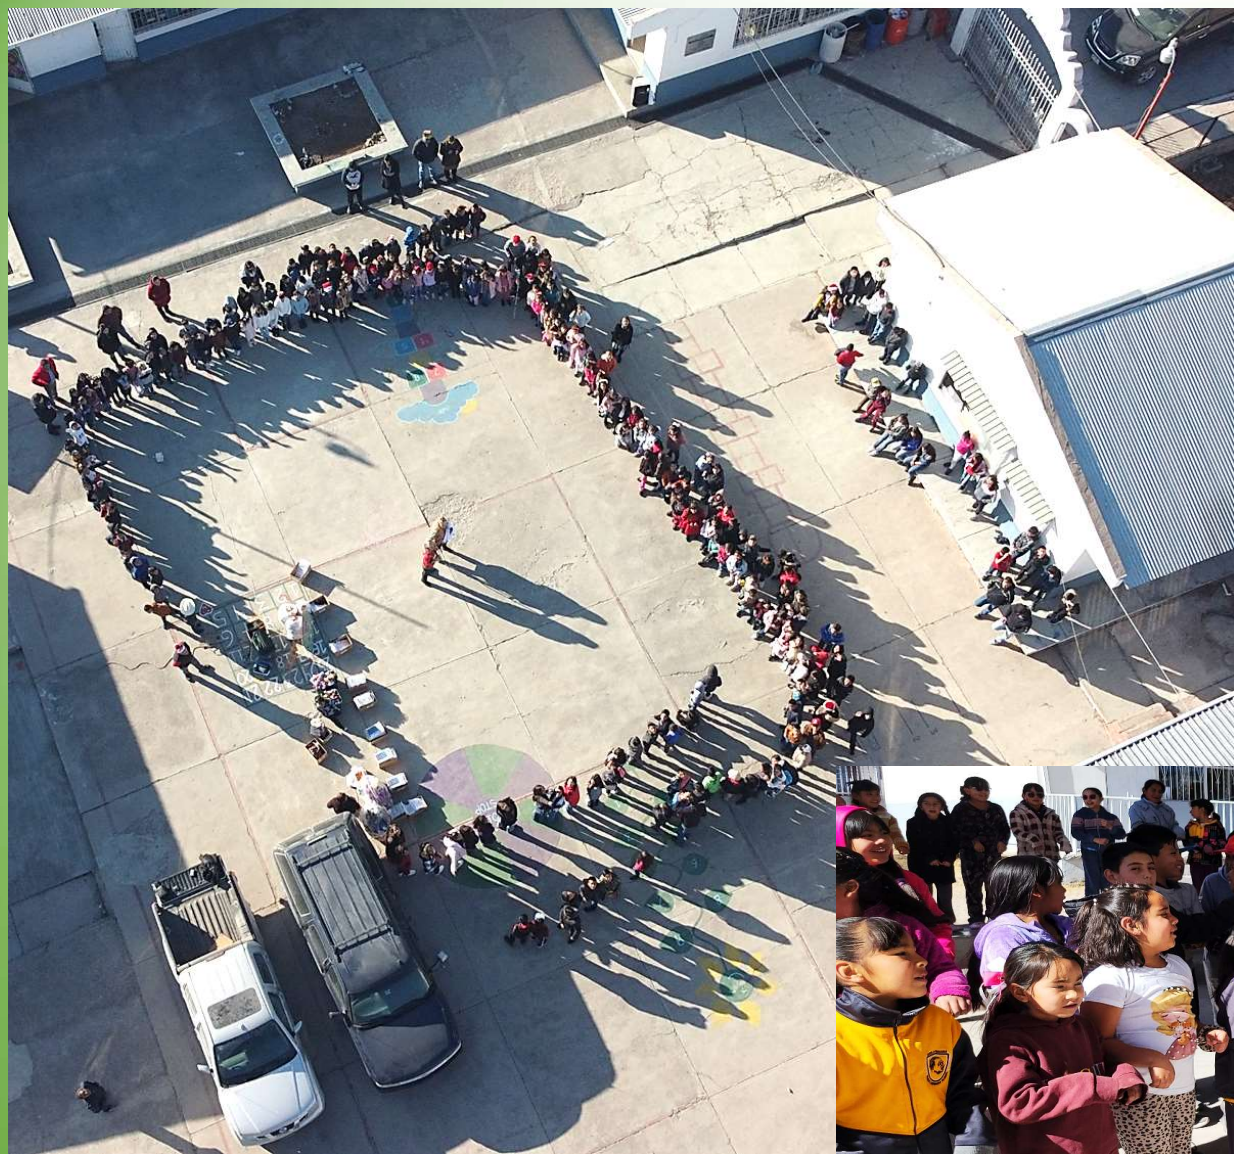

**Tello, Crystal, and Cassandra put on a drama for the kids. They did an amazing job and the children loved it!**

**Crystal's husband, Carlos, brought back his famous dinosaur outfit, and it always makes the kids smile!**

**One great thing about technology is that we were able to capture this moment with 240 kids from one school as they listened to a presentation that Cassandra and I were giving. We're so thankful that Daniel was able to take such an awesome picture!**

Thank you for allowing us to be your hands and feet to the children here in the Sierras!
